Subject: Draft Third Five-Year Review Report - Arkwood

Shawn,

Please see attached draft Third Five-Year Review Report for the Arkwood Site. Please note that there are additional changes that still need to be made to the report as follows:

- Revise Table of Content page references to match report;
- Update Figure 2, Table 3 and Figure 3 to include data through 2010; and
- Review Question B under Section VII: Assessment for any changes in standards that may be applicable.

In addition, the report assumes that the Deed Restriction is recorded. A copy of our earlier letter regarding this issue and the Deed Restriction are attached for reference.
